

### Harp Racks starting at **\$1,598**

PART NUMBER	DIMENSIONS (w x d x h)	LIST PRICE	PROMO PRICE
HR4860	82" x 48" x 68 1/2" Harp Rack	\$2,956.00	<b>\$2,660.00</b>
HR4860MINI	44" x 48" x 68 1/2" Harp Rack Mini	\$1,776.00	<b>\$1,598.00</b>

Move and store glass in large or small work spaces with a Groves Harp Rack. Glass easily slides on a low-friction, high-density polyethylene floor that also serves as a non-stick surface for insulated glass. Easier to maneuver and stabilize with four, non-marking, 1000 lb. rated swivel casters and two front-mounted foot locks.

### Glass Carts starting at **\$905**

PART NUMBER	DIMENSIONS (w x d x h)	LOAD HEIGHT	LIST PRICE	PROMO PRICE
GLC3248	54" x 32" x 55" Glass Cart	48"	\$1,006.00	<b>\$905.00</b>
GLC-3660	72" x 36" x 75" Glass Cart	60"	\$1,376.00	<b>\$1,238.00</b>
GLC-3672	84" x 36" x 87" Glass Cart	72"	\$1,472.00	<b>\$1,325.00</b>

GLCK-8	8" x 3" Caster Kit GLC-4878	-	\$494.00	<b>\$445.00</b>

Transport virtually any size glass panel around the shop or to the job site. Stable and easier to move with two heavy-duty swivel casters and two front-mounted foot locks. Available in a variety of load heights and weight capacities. Complete with plywood bases and rubber mounted vertical strips on upright supports to help prevent scratches and marring.

### Glass Cutting Table now only **\$1,008**

PART NUMBER	DIMENSIONS (w x d x h)	LIST PRICE	PROMO PRICE
GCT-4884	84" x 48" x 36" Glass Cutting Table	\$1,120.00	<b>\$1,008.00</b>

Designed to be functional and versatile the Groves Glass Cutting Table comes complete with plywood with 1" overhang mounted to the top work surface and bottom utility shelf. Customer furnished carpet can easily be added and fastened to the underside of the top surface. Moves easily around the shop or job-site with heavy-duty 5" casters, two rigid and two swivel brake.

### Glass Dollies starting at **\$239**

PART NUMBER	DIMENSIONS (w)	LIST PRICE	PROMO PRICE
GD-48	48" Glass Dolly	\$265.00	<b>\$239.00</b>
GD-72	72" Glass Dolly	\$307.00	<b>\$276.00</b>

For convenient and easy maneuvering of glass panels indoors and out. A 3" wide neoprene rubber covered channel prevents slippage and is easy to clean. Robust semi-pneumatic 8" tires and 3" casters combine to reduce breakage sometimes caused by vibration.
