

## FinishLine – Cerium Impregnated Polishing Cup Wheels

The new **FinishLine** cerium impregnated polishing wheel from **Salem Fabrication Supplies** delivers industry-leading polish quality, up to 50% increased lifespan, and unmatched versatility for glass fabricators using automated or stand-alone machinery.

Designed with a natural rubber backing, it provides superior durability and performance at both low and high pressures and works seamlessly with a wide range of manufacturers' coolants.

**This is more than a polishing wheel – it's a competitive edge.**

### Key Differentiators:

- **Polish Quality:** Industry-leading clarity and smooth finish.
- **Product Longevity:** 30%-50% longer life span than competitors.
- **Ease of Use:** Simple installation with optimal performance at various pressures.
- **Versatility:** Compatible with automated systems, stand-alone machines, and a wide range of coolants.
- **Material Advantage:** Natural rubber backing for enhanced durability.
